Dear JAMES F THOMPSON JR,

Your Annual Summary is one of the many free benefits you receive with your account and is now available for you to view and print. You can use this summary to prepare taxes, set a budget or track your annual spend in each category.

Two ways to review:

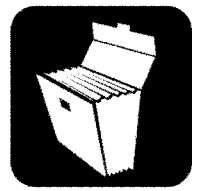

- ✓ The Year in Review section provides a summary of charges by month and category
- ✓ The Year in Detail section provides each individual transaction by category

We hope you find your 2010 Annual Summary useful. We value our customers and constantly look for ways to provide you with the information you need to simplify your finances.

Thank you for your business.

Sincerely,

Deb Walden
