In Case of Error or Questions About Your Electronic Transfer or Direct Deposit

Write or telephone us as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer or direct deposit listed on the statement or receipt. We must be notified by you no later than 60 days after we sent the first statement on which the problem or error appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

In some cases, an investigation may take longer, but you will have the use of the funds in question after the 10 business days. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not credit your account during the investigation.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.
