ATM Safety

Electronic banking at ATMs is a fast, convenient way to withdraw cash, make deposits, check account balances, transfer funds, and more. When using ATMs to conduct financial transactions, you must make security a priority. Here are some important guidelines from PULSE® you can follow to make ATM security your business.

- * *Always observe your surroundings before conducting an ATM transaction.*
- * *If an ATM is obstructed from view or poorly lit, go to another ATM.*
- * *It's a good idea to take a companion along when using an ATM, especially at night.*
- * *Minimize the time spent at the ATM by having your card out and ready to use.*
- * *Stand between the ATM and anyone waiting to use the terminal so that others cannot see your secret code or transaction amount.*
- * *If you see anyone or anything suspicious while conducting a transaction, cancel your transaction and leave immediately.*
- * *Look for possible fraudulent devices attached to the ATM.*

ATM/debit card use outside the United States

If you are traveling to a foreign country and intend to use your debit card, please notify us at 601-949-4462 or 800-844-2000 Ext. 4462.

Purchase Limits for Debit Cards

*In order to help protect you from fraudulent activity and identity theft, we are implementing a single purchase limit of \$5,000 for all debit card accounts when you choose the signature-based **credit** option and a \$2,500 single purchase limit when you choose the PIN-based **debit** option.*

*If you plan to make a purchase in excess of \$5,000 for signature-based (credit) transactions or \$2,500 for point of sale (debit) transactions, please contact Card Services prior to your purchase at (601) 949-4462 or toll-free at (800) 844-2000 ext. 4462 between 8:00 a.m. and 5:00 p.m. (CT). Also, please remember that you will receive twice the Trustmark Rewards points when you choose the **credit** option when making purchases.*

In Case of Error or Questions About Your Electronic Transfer or Direct Deposit

Write or telephone us as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer or direct deposit listed on the statement or receipt. We must be notified by you no later than 60 days after we sent the first statement on which the problem or error appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will generally complete our investigation within 10 business days and correct any error promptly. In some cases, an investigation may take longer, but you will have the use of the funds in question after the 10 business days. If we ask you to put your complaint or questions in writing and we do not receive it within 10 business days, we may not credit your account during the investigation.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.
